5. Student Mentoring

The mentoring of students is an integral part of the college curriculum. Teachers are natural mentors of their students. Arts, Science and Commerce College Harsul has a proper student mentoring system in place. In the beginning of each academic year, after the admission process is over, College is required to assign a teacher mentor to each student. In general, the number of students with each teacher mentor varies from 30 to 35 approximately according to the strength of teachers and students in college. Head of each department is assigned a mentor to final year students. The mentor is required to prepare a list of his/her mentee students and maintain the record of their information (mobile number, residential address, parents contact number etc.). Students are free to approach their teachers anytime if any issue is disturbing her routine, still, the system of mentor – mentee builds an extra confidence and sense of security among students. This whole system leads to a better connection between students and teachers and helps build a friendly and cordial relation between them. Students get a sense of protection because they know that they have someone to go to in case of any eventuality.

To,
The Principal/ Director,
All University affiliated College/Institutes,
Savitribai Phule Pune University, Pune

Sir/Madam,

This year Zonal Level "Avishkar- 2017" competition for the University Colleges (Nashik City Zone) is being organized in this College on Saturday, 25th November 2017. We appeal all of you to inform your students of the College/ Institute to participate at UG, PG, Doctoral & Teacher level under six categories of the competition. The last date of the submission of application form with abstract for regular streams is Monday 20th, November 2017.

Since the Colleges of Pharmacy and Engineering students will be busy with their university examination, we have sought a permission from the university to arrange separate competition on Wednesday, 15th November 2017. This provision is only for Colleges of Pharmacy & Engineering. The last date of submitting application form with abstract for these colleges is Monday 12th, November 2017.

Colleges should communicate the same to their students and follow the Avishkar guidelines of University strictly. (Poster size must be in 1 m x 1 m and it should not disclose any identity of the student as well as college on the posters).

Application form must be duly signed by the ARC and the Principal of the concerned college. The ARC of the concerned colleges can sent their students entry with application forms & abstracts on e-mail: dmauli2007@gmail.com

Feedback Action Report Academic Year (2021-2022)

The Feedback on curriculum was collected through online mode from all the stakeholders in the academic year 2021-2022. Feedback forms weblinks were sent to stakeholders (Students, Teachers, Alumni) who gave their response online. Average rating of all the stakeholders feedback response found to be 91%

Action Taken:

1. The Principal conducted a meeting with the faculty and informed about the feedback received from various stakeholders. He also instructed the faculty to overcome the negative findings if any and work accordingly.
2. In most of the feedback the emphasis was use of ICT tools and its usage between faculty and students. Considering this, the college increased the use of ICT tools in teaching-learning process.
3. It was also found in the feedback that the students demanded for the credit courses to be conducted according to CBCS pattern. With regards to this, the college has conducted 'Cyber Security Workshop' of 2 credits.
4. The tally programme was conducted for the students to make them employable in the market.
5. Infrastructure was developed for the conducive and healthy atmosphere of the college.
6. Most of the students participated in extracurricular and extension activities organized by the college.
7. The Alumni Association registration is in process to involve the distinguished alumni in the decision-making process.
8. The teachers started participating in Teachers Training Programme to update their knowledge in terms of the syllabus content and research.

Students Satisfaction Survey Analysis

Academic Year 2021-2022

Our college collects the feedbacks/surveys on continuous basis from all the stakeholders. Students Satisfaction Survey (SSS) is one of these surveys. This survey included majority of the questionnaire recommended by NAAC. Apart from Teaching-Learning and Evaluation aspects, the survey includes mentoring system and students welfare aspects too. The organization of survey, guidelines, questionnaire and the results are provided as follows.

Feedback was received from the students about various aspects curriculum, facilities available, quality of teaching, internal evaluation process etc. by the feedback committee under the guidance of IQAC. **Total 97** students responded through online process. Following are the findings and analysis of the feedback received.

16.Environment Awareness Activities

Report on the Webinar: COVID-19 and the Environment

Date: 6th June 2021

Time: 4:00 PM to 5:30 PM

Geography Department of Mahatma Gandhi Vidhyamandir, Arts, Science, and Commerce College, Harsul organized a webinar on the occasion of World Environment Day. Topic "COVID-19 and the Environment." The aim of the webinar was to explore the relationship between the COVID-19 pandemic and its impact on the environment. The resource person for the webinar was Prof. B.D. Pagar from the Arts, Science, and Commerce College, Harsul.

Webinar Details:

The webinar commenced at 4:00 PM and was attended by faculty members, staff, and students of the college. The session was chaired by Dr. R.P. Bhamre, the Principal of Mahatma Gandhi Vidhyamandir. The event began with a welcome address by Dr. Bhamre, who expressed his gratitude to Prof. B.D. Pagar for accepting the invitation and sharing his expertise on the subject.

Key Points Discussed:

1. Prof. B.D. Pagar started the webinar by discussing the impact of the COVID-19 pandemic on the environment. He highlighted that the pandemic led to a significant reduction in human activities, such as industrial production, transportation, and tourism, resulting in a temporary decrease in air and water pollution levels.
2. The resource person emphasized the importance of sustainable practices during and after the pandemic. He explained how the lockdown measures provided an opportunity for individuals and communities to adopt eco-friendly habits, such as reducing energy consumption, practicing waste management, and promoting biodiversity conservation.
3. Prof. B.D. Pagar delved into the concept of the "green recovery" and its significance in rebuilding the economy while prioritizing environmental sustainability. He discussed various strategies that governments and businesses could implement to ensure a greener and more resilient future, such as investing in renewable energy, promoting circular economy models, and integrating sustainable practices into urban planning.
4. The speaker also addressed the role of individuals in mitigating the environmental impacts of the pandemic. He encouraged participants to make conscious choices in their daily lives, such as opting for eco-friendly transportation, reducing single-use plastic, and supporting local and sustainable businesses.
5. Prof. B.D. Pagar concluded the webinar by highlighting the importance of collective action and global cooperation in addressing environmental challenges. He emphasized the need for collaborative efforts among governments, organizations, and individuals to build a sustainable and resilient world.

Q&A Session:

Following the presentation, a question-and-answer session was conducted, allowing participants to engage with the resource person and seek clarifications on various aspects of the topic. Prof. B.D. Pagar patiently addressed the queries and provided valuable insights to the participants.

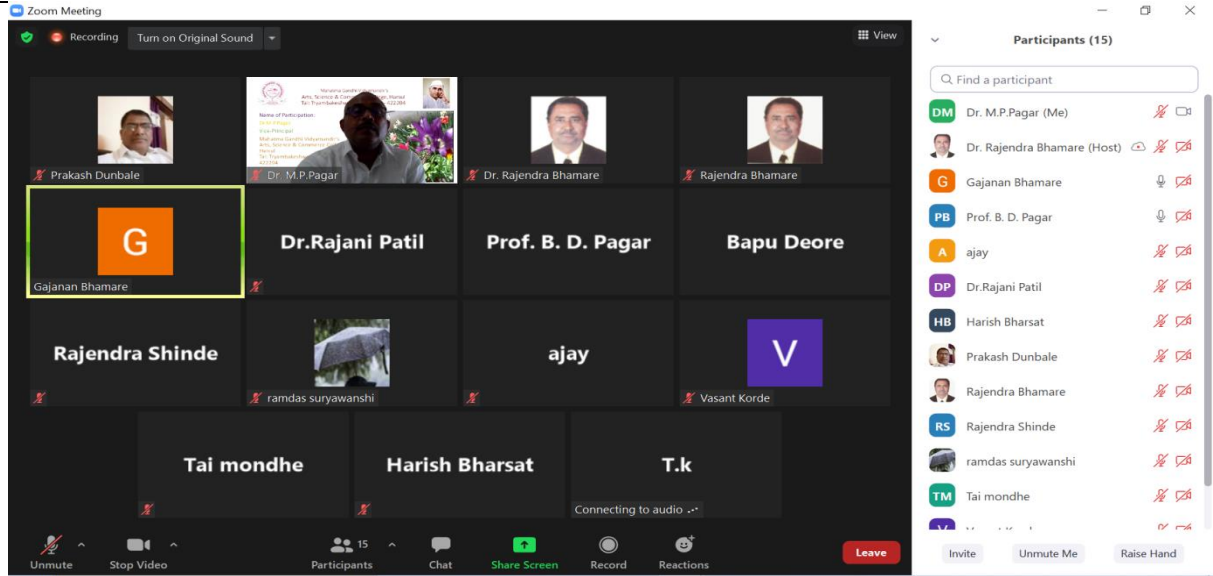

Outcome of the Webinar:

The webinar on "COVID-19 and the Environment" proved to be an informative and thought-provoking session. The resource person, Prof. B.D. Pagar, provided a comprehensive understanding of the interplay between the pandemic and the environment, and the importance of sustainable practices in mitigating future crises. The event encouraged participants to reflect on their individual roles in environmental conservation and motivated them to adopt eco-friendly habits in their lives.

The webinar successfully achieved its objective of creating awareness and promoting discussions on the relationship between COVID-19 and the environment. The college expressed its gratitude to Prof. B.D. Pagar for sharing his expertise and thanked all the participants for their active involvement in the webinar.
