7.3.1 QIM Portray the performance of the institution in one area distinctive to its priority and thrust within 1000 words.

Empowerment of Tribal people

Our Goal -

To ensure overall empowerment and standard of tribes in Harsul.

Harsul is a tribal settlement in Nashik district. Our college is situated near by Educationally and economically backward area of this tribal region. Education is the fundamental dimension of the developing the society. The position of tribal people education is more alarming as these group in habit in the remote forest and hilly areas far from civilization, they are largely unaffected by the development process going on the rest of the non-tribal areas of the states.

Curriculum –

CURRICULAR ASPECTS - Curricular Planning and Implementation - The Institution ensures effective curriculum delivery through a well-planned and documented process The college, affiliated to Savitribai Phule Pune University, follows the curriculum and syllabus prescribed by the university. In the beginning of academic year, IQAC of the college prepared academic calendar and timetable reflecting the schedule of curriculum delivery. The academic calendar includes schedule of IQAC meetings, admission process, teaching days, extension activities, internal assessment, university examination, and vacations etc. It was communicated to all departments, notice board as well as on website of college. The departmental meetings were held to allot the courses, and plan the syllabus according to the credits assigned to each topic. Each department also prepared a calendar including co-curricular activities like guest lectures, field visits, project work, etc. The teachers prepared month-wise, topic-wise teaching plans. The teaching-learning process was enriched through supplementary instructional material like charts, audios, videos and PPTs for effective curriculum delivery. During pandemic situation, the activities like lectures, practical, class. tests, Assignment, examination were conducted on online as well as offline mode. The curricular activities conducted were recorded on a daily basis by the teachers and were verified periodically by the head and Principal. Regular meetings and feedback

was taken to review the overall progress and the difficulties faced during teaching-learning process. - Curriculum Enrichment - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum As a part of curriculum, various programmes related to human values, gender, professional ethics and environmental awareness are arranged. The college engaged the students in various curricular and co-curricular activities. The crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability are reflected directly or indirectly in the syllabus of B.A., B.Sc. and M.A. The compulsory course of Environmental studies is taught at S.Y.B.A. and S.Y.B.Sc level for environmental awareness. Each course of university offers at least one issue that integrates issues related to either gender, or environment, or human values or professional ethics. The courses of literature, Political science, Psychology, Economics, History, Geography and Botany instill gender equality, sustainability, human values, and professional ethics among the students. These issues are highlighted and explicated during the topic delivery. Besides, Guest Lectures of eminent scholars on these topics are arranged for the students. The college celebrates the important days such as Republic Day, Women Day, Independence Day, Teacher's Day, Human Right Day, World Health Day, National Sport Day etc., and also the birth and death anniversaries of national heroes. These celebrations nurture the moral, ethical and social values in the students.

CATERING TO STUDENT DIVERSITY - The college is situated in a tribal area and almost all the students admitted in the college are from tribal and remote areas. So, it needs to be classified slow learners, moderate learners and advance learners. Soon after the completion of admission process, slow, moderate, and advance learners are identified by various methods such as HSC marks, class internal tests, performance in previous year examination, and students' interaction in class. The College conducted remedial coaching for slow learners as per separate time table of slow learners. For slow learners, the college teachers also provide remedial coaching notes, study material, assignments. For the advanced and moderate students, the college provides personal counselling, the Competitive examination

guidance, e-learning programme. The teachers also provide special learning activities and counselling on online platform. Therefore, the learning is assessed through tests and the final examination and the meritorious students are appreciated with prizes. This motivates and inspires students for their future academic growth.

TEACHING- LEARNING PROCESS -The college adopts different

methodologies to enhance the learning experience of the students. For enhancing learning experiences, the faculty members use many ways such as lecture method, interactive method, project and field work method, experiment method etc.

Teaching and learning activities are made effective by these practices. Some teachers have prepared PPTs, Video Lectures, and also use lectures of you-tube to make learning interesting besides the conventional oral methods. Student-centric methods:

- 1. Project methods: The project stimulates student's interest on the subject and provide student an opportunity of free thinking and exchange of different views.
- 2. Interactive methods: The teachers make learning interactive by motivating student participation in group discussion, role play, subject quiz and a comment on current affairs.
- 3. ICT Enabled Teaching: Use of Computer, LCD projector, Language Lab and Wi-Fi facility etc. make learning live and interesting.
- 4. NSS: The NSS organizes various experience based activities to enhance students' all round development and social awareness.
- 5. Guest Lecture: Guest lectures by eminent scholars and experts arranged to supplement the teaching process and provide experiential learning.
- 6. Team work: Organising students' activities and projects to promote the spirit of team work.
- 7. Research activities help students to promote in research aptitude.

AVISHKAR REPORT 2017

Purpose of the Activity: Understanding new areas of knowledge is facilitated through research. Research must enable students to think critically and find solutions to various problems. The institute plays a very important role in communicating the value of research. The education policy of our college has given priority to research activities. Academic research is an integral part of the higher education system in most knowledge societies. To keep research at the forefront, students were motivated to engage in research. Through in-depth study, students develop critical thinking, effective analytical, research and communication skills that are in demand and very useful for them in dealing with the real life problems.

Students of our college deals with many different set of problems such as natural calamities, such as flooding in some areas, and even scarcity of water in some areas, difficulty of selling th agricultural produce, difficulties of irrigation in the summer. So when they were motivated to solve these problems with some innovative solutions they came up with very innovative concepts.

5 June 2023 WORLD ENVIRONMENT DAY ONLINE QUIZ REPORT

Online Quiz organized by IQAC and Geography Department on the occasion of 5 June 2023 World Environment Day

Objective:

The World Environment is celebrated worldwide, and in line with this, the IQAC and Geography Department organized an online quiz on 5th June 2023. The objective of the quiz was to enhance environmental awareness and knowledge among the college students.

Participants:

A total of 52 students actively participated in the online quiz.

Under the Guidance:

Dr. Ravi Devare

Vice Principal and Head of the Geography Department

Principal Dr. M.R. Deshmukh

Mahatma Gandhi Vidyamandir's Arts Science and Commerce College, Harsul

Link: <https://forms.gle/KBcRFQu17TpPkUK89>

Quiz Format:

The quiz was conducted online, and a question paper was prepared to assess the participants' knowledge of environmental concepts and issues. The quiz comprised 25 multiple-choice questions related to various aspects of the environment, including climate change, biodiversity, pollution, and sustainable development.

Outcome:

The online quiz proved to be an engaging and informative activity for the participating students. It allowed them to test their knowledge and learn new facts about the environment. Through the quiz, the students gained a better understanding of environmental challenges and the importance of sustainable practices.

Conclusion:

The Geography Day online quiz successfully achieved its objective of creating environmental awareness among the college students. The participation of 52 students demonstrated their enthusiasm and interest in environmental issues. The event was made possible by the efforts of the IQAC and Geography Department, who deserve appreciation for organizing such an enlightening activity. We extend our gratitude to Dr. Ravi Deore, Vice Principal and Head of the Geography Department and Principal Dr. M.R. Deshmukh, and all the participants for their active involvement in the online quiz. Their contributions made the event a resounding success.

Report on the Webinar: COVID-19 and the Environment

Date: 6th June 2021

Time: 4:00 PM to 5:30 PM

Geography Department of Mahatma Gandhi Vidyamandir, Arts, Science, and Commerce College, Harsul organized a webinar on the occasion of World Environment Day. Topic "COVID-19 and the Environment." The aim of the webinar was to explore the relationship between the COVID-19 pandemic and its impact on the environment. The resource person for the webinar was Prof. B.D. Pagar from the Arts, Science, and Commerce College, Harsul.

Webinar Details:

The webinar commenced at 4:00 PM and was attended by faculty members, staff, and students of the college. The session was chaired by Dr. R.P. Bhamre, the Principal of Mahatma Gandhi Vidyamandir. The event began with a welcome address by Dr. Bhamre, who expressed his gratitude to Prof. B.D. Pagar for accepting the invitation and sharing his expertise on the subject.

Key Points Discussed:

1. Prof. B.D. Pagar started the webinar by discussing the impact of the COVID-19 pandemic on the environment. He highlighted that the pandemic led to a significant reduction in human activities, such as industrial production, transportation, and tourism, resulting in a temporary decrease in air and water pollution levels.
2. The resource person emphasized the importance of sustainable practices during and after the pandemic. He explained how the lockdown measures provided an opportunity for individuals and communities to adopt eco-friendly habits, such as reducing energy consumption, practicing waste management, and promoting biodiversity conservation.
3. Prof. B.D. Pagar delved into the concept of the "green recovery" and its significance in rebuilding the economy while prioritizing environmental sustainability. He discussed various strategies that governments and businesses could implement to ensure a greener and more resilient future, such as investing in renewable energy, promoting circular economy models, and integrating sustainable practices into urban planning.
4. The speaker also addressed the role of individuals in mitigating the environmental impacts of the pandemic. He encouraged participants to make conscious choices in their daily lives, such as opting for eco-friendly transportation, reducing single-use plastic, and supporting local and sustainable businesses.
5. Prof. B.D. Pagar concluded the webinar by highlighting the importance of collective action and global cooperation in addressing environmental challenges. He emphasized the need for collaborative efforts among governments, organizations, and individuals to build a sustainable and resilient world.

Q&A Session:

Following the presentation, a question-and-answer session was conducted, allowing participants to engage with the resource person and seek clarifications on various aspects of the topic. Prof. B.D. Pagar patiently addressed the queries and provided valuable insights to the participants.

Outcome of the Webinar:

The webinar on "COVID-19 and the Environment" proved to be an informative and thought-provoking session. The resource person, Prof. B.D. Pagar, provided a comprehensive understanding of the interplay between the pandemic and the environment, and the importance of sustainable practices in mitigating future crises. The event encouraged participants to reflect on their individual roles in environmental conservation and motivated them to adopt eco-friendly habits in their lives.

The webinar successfully achieved its objective of creating awareness and promoting discussions on the relationship between COVID-19 and the environment. The college expressed its gratitude to Prof. B.D. Pagar for sharing his expertise and thanked all the participants for their active involvement in the webinar.
