Institutional Distinctiveness

Empowering the Tribal Students through Quality Education

The college, established in June 1993, holds the distinction of being the leading institution providing Higher education to the students of tribal and remote areas in western part of Nashik district. Educational improvement is a stepping-stone to the economic and social development, and one of the effective means for the upliftment and empowerment of the tribal community. **Our Vision is 'Enrichment of society by providing educational facilities to the Tribal Community'. Our Mission is 'To impart education to the Tribal Students and make them more employable in the market.'** The college uses education as the tool for empowering the students in particular and the people in general from the socio-economically deprived classes.

The college has been imparting education to the tribal students since its inception in 1992-1993. Since then the college has been making remarkable progress in curricular, co-curricular, and extension activities. The faculty of the is well qualified with interest in research and innovations. Eighty percent the faculty are Ph.Ds with NET/SET. The faculty have published numerous research articles in recognized and UGC Care-Listed journal. Some of the faculty have received awards for their significant contribution in the field of research.

The college has sufficient infrastructure to carry teaching-learning process with conducive and healthy atmosphere. The College infrastructure facilities for Teaching and learning include 08 classrooms, 01 Seminar Hall, 06 laboratories (Geography, Psychology, Computer Lab, Chemistry, Botany, Zoology. College has adequate infrastructure facilities such as classrooms, laboratories, seminar hall, library facilities, computer lab, girl common room, ramps (for physically challenged students). The college has two classroom and one seminar hall with ICT facility. The college gymkhana has all the equipment required for sports. The students are performing at national level in various sports. The college has Computer Lab with 29 computers with language software. The Library has 9564 books for the open access. The Library has the subscription of 256 National/International journals. It also have the N-List facility for the faculty.

The college has successfully faced 2 Cycles of NAAC and upgraded with B grade. Apart from the regular academic activities, various extension activities are conducted in the college for the overall development of the Tribal Students and making them competent to face the challenges of today's age.
